HEALTH, SAFETY, SECURITY & ENVIRONMENT (HSSE)

At Mint Petroleum Ltd, we believe that operational excellence begins with a strong commitment to Health, Safety, Security and Environmental (HSSE) responsibility. Every aspect of our business is guided by practices that protect our people, our customers, our assets and the communities in which we operate.

We are committed to maintaining a safe working environment by promoting a proactive safety culture, encouraging personal responsibility and ensuring that every task is carried out with the highest regard for health and safety. Through continuous training, risk awareness and operational discipline, we strive to prevent incidents before they occur. Environmental stewardship is equally central to our operations. We support responsible resource management and continually seek opportunities to minimise environmental impact through safe product handling, efficient operations and compliance with applicable environmental standards and regulations.

Security remains an essential part of our commitment to protecting our people, products and infrastructure. We maintain appropriate measures to safeguard our operations while ensuring the reliable and uninterrupted delivery of energy solutions to our customers.

At Mint Petroleum Ltd, HSSE is more than a business requirement—it is a shared responsibility and a core value that shapes every decision we make.

Our HSSE Commitments

- **Safety First** – We place the safety and wellbeing of people at the centre of every operation.
- **Risk Management** – We proactively identify, assess and manage risks to prevent incidents.
- **Environmental Responsibility** – We promote environmentally responsible practices that minimise our operational footprint.

- **Regulatory Compliance** – We conduct our operations in accordance with applicable laws, regulations and industry standards.
- **Continuous Improvement** – We regularly review and strengthen our systems to improve safety, efficiency and operational performance.
- **Shared Responsibility** – Every employee, contractor and business partner contributes to maintaining a safe and responsible workplace.

"Every safe operation reflects our commitment to our people, our customers and the communities we serve."

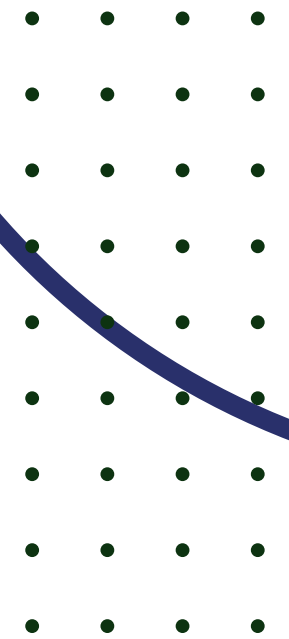

OUR COMMITMENT TO SUSTAINABLE PARTNERSHIPS

At Mint Petroleum Ltd, we believe that the strongest partnerships are built on trust, consistency and a shared commitment to success. We view every customer relationship as a long-term partnership, founded on open communication, dependable service and a genuine understanding of our clients' operational needs.

We are committed to delivering value beyond the supply of petroleum products. By combining reliable energy solutions with responsive customer support and ethical business practices, we strive to help our customers achieve greater efficiency, productivity and sustainable growth.

Our commitment extends to every stakeholder we engage with—from customers and suppliers to employees, regulators and the communities in which we operate. Through collaboration, accountability and continuous improvement, we aim to create partnerships that generate lasting value and contribute positively to Zambia's economic development.

As our business grows, our promise remains unchanged: to be a trusted partner that delivers with integrity, professionalism and consistency—today and into the future.

Partnership Principles

- Long-Term Relationships
- Mutual Trust & Respect

- 
- Customer Success
 - Ethical Business Practices
